INTERACTIVE COURSEWARE

More than 1,400 SCORM Compliant Courses Available

- Safety
- Maintenance & Reliability
- Human Resources
- Government
- Healthcare

“We chose DuPont Sustainable Solutions as our training supplier for three key reasons: the wide variety of courses, quality of the courses and the ability to customize the content.”

- **Chris Le Baudour,**
REACH Air Medical

“The courseware has provided us with the freedom to create and upload required training quickly and easily — while decreasing training costs, including travel expenses and lost work time.

Dresser- Rand will benefit from a cost avoidance of approximately \$1 million.”

- **Jeff Grenzer,**
Dresser-Rand Company

“The training helps us meet OSHA requirements and it makes employees more aware, not just around the job but in the community and at home.”

- **Benjy Morgan,**
Shell Deer Park Refining Co.

“The goal is a reduction of on-the-job accidents, and we achieve it through the education and training that the courseware provides.”

- **Lon Willis**
City of Henderson, NV

Bring learning to life and help your employees work safer and smarter with:
